1. The League will appoint all Premier Division umpires. (Umpires at Victoria will be appointed by VIFHA as approved by VFHL. If VIFHA is unable to appoint appropriately rated umpires they will cover costs to bring mainland umpires to Island matches.)
2. Clubs provide umpires as assigned in the schedule for all other matches. The VFHL Coordinator may appoint umpires to replace club-assigned umpires. When this is done clubs will be notified on the League Website Wednesday at 10:00 pm or will be contacted directly.
3. The Club Reps Council, in coordination with FHBC Umpires Director, will ensure:
 - Education and recruitment of umpires:
 - That there is a supply of rules books, whistles, umpires' cards, game cards;
 - Organise two or more umpires' seminars annually;
 - Issue, and periodically update, guidelines for umpires.
4. The FHC rating system shall apply in the VFHL.
5. Umpires receive pay from the League as follows: \$50 per game if holding current rating of "Canadian" or higher, \$40 if "Regional", \$30 if "Provincial", \$20 if "Community" (Provincial B.) TD's (3rd Umps) are given \$30 if Prov-A or higher, otherwise \$20 per game. Umpires mentors receive \$20 per game. Umpiring credits are given at the end of each half-season. All teams pay for their umpires in advance through their annual fee.
6. Umpires must be present at least 15 minutes prior to the scheduled start time.
7. Umpires are expected to attend meetings as necessary in order to stay up-to-date on all matters pertaining to their umpiring.
8. An umpire must be attired and equipped properly.
9. The first-mentioned umpire is responsible for getting the properly completed game cards to the Data Manager no more than three days after the match. Umpires must note on the game card any discipline or problems with field preparation or equipment. (Give a brief reason for any cards shown.) Umpires' responsibilities also include enforcing the League's uniform regulations and deciding whether or not to cancel/abandon any match in which playing conditions become dangerous. **All umpires and TD's must e-report game data within 24 hrs of end of game.**
10. Umpires' responsibilities **do not** include: field watering or other preparation, field lighting, supplying game cards or game ball, or ensuring that all players playing are eligible to play.

VANCOUVER FIELD HOCKEY LEAGUE RULES

17 November 2009

13. **On any occasion during the Sept-April season when a team has a second no-show umpire that team will be fined \$100 payable by 10:00pm on the Wednesday before their next game or the game will be forfeited.**
14. All games, except games between two Recreational Division teams, require rated umpires. The team that fails to supply a rated umpire when required will lose 3 points from its standings.
15. **A 3rd Umpire will be appointed to Premier matches and any other matches at which the Umpires Coordinator feels a third official should be present. The 3rd Umpire will have the power of a TD to card or suspend players, coaches, team bench personnel or spectators in the case of off-the-ball or away-from-the-play incidents.**

TEAM DISCIPLINE

1. Captains can report anything that concerns the game. All comments must be sent immediately to the Discipline Chairman and to the appropriate Coordinator.
2. A club or an umpire shall submit any complaint about a game, an individual, or a club by:
 - a) A complaint entered on the front of game card.
 - b) A letter of complaint received by the League within seven days of the incident.Upon receiving a complaint the League's Discipline Chairman shall decide what action should be taken if any.
3. No game may be called off because of a technical dispute.
4. Except in accordance with Rule 6 below, no player may play for any club other than his own in any League season (September to April)
5. No player may change clubs during the League competitions until he has written consent of the two clubs involved and League's consent, which will be denied if unfair advantage gained.
6. No player may change clubs after the start of a play-off or knockout series, or during the last three weeks of any League round-robin competition.
7. No player may play for two different teams in the same division even if both from the same club.
8. A player's "usual playing level" or "designated playing level" (defined in the section on Player Registration) likewise may not change during play-offs or the last 3 weeks of a round robin.
9. Any team which uses, or agrees to the use of, any ineligible player will forfeit the game by a walk-over score of 5-0. If both teams breach this rule then both teams will record a loss.

TEAM CAPTAIN'S RESPONSIBILITIES

1. Each captain must have his game card properly filled out.
2. The team first-mentioned in schedule (home team) will supply the game ball.
3. Field booking and preparations, including watering and lighting if needed.
4. Behaviour of team's on-field players, substitutes, sidelines and supporters.

GAME CARDS

1. Game cards must be filled out before scheduled start time. A team that does not have its card ready before start time risks forfeiture if umpires decide this is unnecessary delay.
2. Players' names not listed **on the game card before the game** are ineligible to play.
3. Premier and Competitive teams may play up to 16 eligible players in the game. This rule does not apply to players who are under 16 years on January 1 of the current season. Recreational Division teams may play an unlimited number of players.
4. All players who did not play in the game must be crossed off of the game card before captains and umpires sign the cards.

SUSPENSION OF INDIVIDUALS

1. Any player under any suspension anywhere is suspended from participating in any capacity in any game anywhere in B.C. until after his suspension has ended.
2. Length of Suspensions:

VANCOUVER FIELD HOCKEY LEAGUE RULES

17 November 2009

- a) An individual is suspended for the rest of the game he is currently involved in for receiving a **red card**. In addition he is suspended for a further period of **16 days or more**. The length of the further suspension is according to the nature of the offence and will be communicated to the club by the Discipline Chairman in writing. A suspension of 16 days is for two full weekends of games that the player would have been eligible to play. Bye weekends or break periods are not counted as part of the period of suspension.
- b) A **red card** is worth 12 points. **Yellow cards** are noted by umpires as 3 points or 6 points depending on the nature of the offence.
 - (i) Any player accumulating 12 points is suspended for a minimum of 16 days (Two playing weekends.) Upon returning from suspension the player has 6 of the accumulated points deleted.
 - (ii) Any team accumulating 40 card points (16 games) is immediately penalised 3 points from the team's standings and is fined \$200. The fine must be paid by 10:00 pm on the Wednesday before the team's next match or the match is forfeited.
- c) The player's suspension begins immediately after the end of the match in which he got the card that caused him to be suspended.
- d) An individual receiving a suspension at the end of the season (or over any break or bye period) will still have to sit out the remainder of his suspension at the re-start of league games. Changing teams or clubs between seasons does not eliminate this suspension.
- e) On each occasion that a player receives a suspension his club is also fined \$25.
- f) A Discipline Committee does not have to meet to enforce these fines and suspensions.
- g) If an individual wishes to appeal his suspension he must do so no later than the day after the game. Such appeals must be in writing and directed to the Discipline Chairman and/or the League's President. There is no appeal of any suspension of 30 days (minimum of 4 games) or less.
- h) As red card and yellow card suspensions and fines are automatic the suspended individual and his club do not have to be notified.
- i) If a suspended player plays during his suspension his team automatically forfeits its game (5-0 walkover). In addition the suspended player still has to serve his suspension. The player and his captain may be further disciplined.
- j) **SUSPENSION OF TEAM MEMBERS and SUPPORTERS ON THE SIDELINES:** Penalties such as red cards and yellow cards can be imposed on coaches and other team members who are present at a game, including substitute players who are on the sidelines. The team captain must then nominate a player to leave the pitch to serve the suspension. If the captain does not immediately do so the umpire will choose a player to serve the suspension. In the case of the suspension of any non-playing team member (i.e. not listed on the game card) the nominated player will have the red card or yellow card charged to him. If a substitute player is suspended, he will have the card charged to him, not the player nominated to serve the suspension.

POSTPONEMENTS, NO-SHOWS AND FORFEITS

1. All games will be played as scheduled. Any team not able to play as scheduled must notify the League Administrator 72 hours in advance. The team not able to play will forfeit the game by a 5-0 walkover score, and will be fined \$50 (\$40 of which will be credited to the team which did not get its scheduled game). Further, the forfeiting team is still responsible for its umpiring assignment for that week and must also cover the umpiring assignment of the team that did not get its game due to the forfeiture. The forfeiting team may also have to bear costs of field preparation or rental where that applies.
 - Any team which, in forfeiting, does not notify the League Administrator 72 hours in advance will be assessed a \$100 "no-show" fine (\$70 of which is credited to the opposition team for the expense and time lost in preparing for a game not played).
 - In a situation where a team claims a walkover 5-0 win, but where the game is played as a "friendly" the League may decline to fine the forfeiting team. If the two teams play a "friendly" the umpires will only receive credit for the match if they stay and umpire.

VANCOUVER FIELD HOCKEY LEAGUE RULES

17 November 2009

Where no match takes place; the umpires will be credited for officiating the game upon receipt by the Data Manager of a properly completed game card detailing the events.

Umpires must send in the game card whether a game was played or not.

2. Players and umpires shall consider all games "on" unless otherwise indicated on the League Website Schedule 3 hours prior to the game.
3. Team captains may agree between themselves to postpone a game but are then responsible for arranging the venue and time for a replay at their own expense. The team initiating a postponement is responsible for turf booking expenses.
4. The Coordinators will not postpone or move games, except to re-schedule games postponed because of weather or turf availability problems.
5. The umpires may decide to abandon a match if they both decide that conditions make the game too dangerous to continue or if the field time booked for the game has ended and there is another field user waiting to start. **Games must end on time if there is a user for the field in the following time slot.**
6. All games abandoned at half time or before will have to be replayed.
7. The scores of games abandoned in the second half will stand.
8. A team that walks off the field before a game is completed will be penalised points and/or money unless the League is satisfied such a fine is not appropriate in the circumstances.
9. To make up postponed games the Coordinator will assign fields, times, and umpires, then notify the captains. It is then a scheduled fixture.
10. The Coordinators may give priority in the scheduling of make-up games to those games that will have a bearing on divisional standings
11. All games must start within 10 minutes of scheduled start time. **If 8 players are not on the pitch ready to play** (and on the game card) by this time the opposition shall claim a 5-0 forfeit.)

STANDINGS

1. Three points for a win, one point for a tie.
2. If there is a tie on points at the end of a round-robin competition:
 - a) The team with the least games played shall be placed above the other, or
 - b) Goal difference decides placement, or
 - c) The most goals for, or
 - d) Scores between the two teams, or
 - e) If still a tie the League Executive will select a tie-breaking format if breaking the tie is deemed to be necessary.

CLUB COLOURS AND UNIFORMS

1. No player shall be permitted to play if he is not wearing his club's colours and approved club uniform. Umpires have no discretion in enforcing this rule. (Note that these rules provide for forfeiture of a game if a team has less than 8 players ready to play at game time.)
2. All players in Premier and Div One (Competitive) must have legible numbers permanently fixed or printed on their shirt backs. Numbers must be Arabic numerals no less than five inches in height. **No two players on a team may have the same number on the pitch at the same time.**
3. In Premier and Competitive Divisions no player may take the field unless his shorts, shirt and socks are the League-approved uniform for his team.
4. In Recreational Div. there is a "two-faults" rule wherein each team may field a maximum of 2 uniform faults. These faults may only concern wrong shorts or socks. No player may have wrong socks and wrong shorts at the same time. In addition, there is a \$5 fine for each of the two faults allowed. The umpires must note on the game card any player wearing either wrong shorts or socks. Such fines may not be appealed.
10. Violations of uniform rules may be reported to the VFHL by any club's president or secretary, the Coordinators, or any one of the League's Directors.

 4. Any player wishing to drop to a lower team than one he would normally be allowed to play on must notify the Data Manager before doing so and must have this move confirmed before playing down. **Player moves are never allowed in the last 3 weeks of a round robin or during any playoffs.** The player must stay down 3 League weekends for his new lower team before being allowed to play any games for any higher team.

 9. Minimum playing age: must be turning 14 during the current season.
 10. **Recreational Div. games are recreational and the eligibility to play in them is relaxed. No "designated" players. No player who has played 3 or more Premier games in the current season may play in Recreational Division whether designated or not. Exceptions only for Under-16 players and for goalkeepers. Players are expected to play in these games "in the spirit of a recreational friendly match." There are no standings, playoffs, or trophies.**
